

GFY Marine Group

Agency, Chartering and Consulting

GFY Marine Group is located in Vancouver Canada and is active in Agency, Chartering and Consulting for the maritime industry.

A. The Agency:

a) Husbandry Services: On behalf of Crew and Technical Management companies GFY Agency arranges crew changes with strict observation of the Canadian Immigration regulation, medical visits, mid-house placement after surgery until fit-to-fly, delivers ship's mail, spare parts, off-landed goods and Cash To Master, deslopping, and various testing, surveys and repairs, as required by the ship or ship owner

b) Protective: On behalf of the various Ship Owners or Charterers GFY provides full protection of owners'/charterer's commercial interests versus the charterers/owners, shippers, stevedores and the local authorities. GFY has the proper knowledge, local resources and connections that are necessary to successfully attend all kinds of unexpected situations; berth collisions/ ship/berth damage, ship systems failure (engine, steering, governor etc)

c) Charterer's: On behalf of the charterers general/port nominated agent GFY does all the necessary legal and commercial preparation for the ship's call, ensures an optimum port roundtrip and the successful accomplishment of the ship's intended trade, obtains the certificates and issues all the proper documentation that is required in order to complete the call and assist the laytime calculations (Quality, Origin, MSDS, SOF, B/Ls etc), and after the vessel's sailing retains the contact, thus the agency with his customer – the charterer – for as long as required in order to close the port call properly and efficiently.

All the above services are provided in a timely and fully trustworthy manner with complete financial transparency and strictly abiding by the provisions of the Agency Contract and Charterer's additional requirements.

B. Chartering:

GFY also offers chartering services, for the time being acting solely as a Voyage charterer but looking at the next step – Time Chartering.

C. Consulting:

On request GFY provides consulting services to the various players in the waterfront market, locally and internationally.
